

eeem

SPECIALIZED CHEMICAL DISTRIBUTOR

Global Sourcing Local Service

ECM is a specialized & independent chemical distributor established in 1981. We are partners of many major multinational companies. We source many specialty chemical products from all over the world. Our key products and expertise are in Acrylic and Methacrylic Monomers.

We supply from our own strategically located stocks, warehouses and tank terminals.

Our core values are a high level of logistic and marketing services.

Through highly experienced, multilingual & professional staff, ECM offers a comprehensive and complete supply chain service.

- ⇒ Long-term partnerships with manufacturers & clients.
- ⇒ Extensive market and product knowledge.
- ⇒ High market share with end consumers.
- ⇒ One-stop shopping concept.
- ⇒ In-house developed marketing and logistics software.
- ⇒ Privately owned & financially independent company.
- ⇒ Flexible and service oriented organization.
